Tips on selecting products

You can check the Latest Products, Bestsellers, Promotional, Allocation List, Promotion and Quick Buy on the front page first, or search products by categories:

"Product Line" - including Nutrilite, Artistry, Personal Care, Home Care, Home Tech, Accessories, Other Products, XS and Customer Favorite. Click the selected product line and all items under this line will be displayed.

"Product Search" – to search a specific product, type the product name or item number in the search box located at the top and click , the search results will be displayed.

Is there any limit for quantity / amount for each transaction?

The maximum order quantity for a product in one purchase order is 15. The maximum transaction amount for each online order is HK\$30,000 while the minimum transaction amount is HK\$100.

How do I know if the order is confirmed?

Confirmation will be sent to your mobile number and email address provided in Step 10 upon order completion.

How do I check the ordering status?

The ordering status can be checked in the "Order Record" at Amway's AmShop.
